Dear Parents:

My name is Chris Wells and I am the head coach for the Salesianum Rugby Football Club. On February 9, we will be kicking off our second season, and I am excited that your son will be a part of it. Rugby is a sport which puts tremendous emphasis on sportsmanship, teamwork, and dedication. I have been playing and coaching rugby for twenty years, and the sport continues to enrich my life. I look forward to teaching your sons about this wonderful game.

Practices are two days per week, Tuesdays and Thursdays, from 3:30 to 5:30. We play a schedule with a minimum of seven games, played on Sundays and occasionally on Thursdays. There will be two preseason scrimmages as well. All players who are present on game day are guaranteed to play.

Salesianum School supports rugby, but the club is funded by player dues as well as sponsorships. We may also hold a fund raiser this season if we find the right opportunity. Club dues are \$145 payable to Salesianum. Details are covered in the [Sallies Rugby Info Page](#) link on our website, [www.salesianumrugby.com](http://www.salesianumrugby.com).

There are two important links on the website. The first is the [Sallies Rugby Physical Packet](#). Every student athlete at Salesianum must have a sports physical. If your son has turned in this packet for another sport during the current school year, or if your son is a freshman, then you are not required to fill this out. The second link is the [Sallies Rugby Registration Packet](#). All rugby players **MUST** complete this packet.

**All money and forms are to be turned in to Mr. McGowan or Coach Wells by the first practice; Tuesday, February 9.** If players join later, they should bring forms when they start.

There are many more details on the [Sallies Rugby Information Page](#) link but if you have any questions, please contact me at the information below.
